Summary

Motivated B.Tech ECE graduate with a strong interest in Full Stack Web Development and software development. Experienced in building AI-assisted web projects and passionate about developing innovative technology solutions. Eager to contribute and grow in a professional software development environment.

Skills

Programming Languages: HTML(Basic),CSS(Basic),Java Script(Basic)

AI-assisted web development: ChatGpt,AI coding tools

Projects

College Bus Tracking System — Java, HTML,CSS,Vercel 🌐 svit bus tracker.com **2025**

- Developed a web-based College Bus Tracking System that allows students to view the live location of their assigned college bus using the driver's mobile GPS location.
- Implemented separate login portals for Admin, Driver, and Student with role-based access
- Built an admin dashboard to manage students, drivers, buses, and announcements.
- Deployed the application online for easy access.

Future Projects

Air Motion Control Mouse for Smart Classrooms

- Designing an intelligent presentation control system that transforms a laser pointer into a wireless mouse for smart classrooms.
- The system uses computer vision to detect the laser pointer's position on the presentation screen and accurately control the computer's mouse cursor in real time.
- Built-in buttons on the laser pointer will function as left-click and right-click, enabling users to control presentations without a traditional mouse.
- **Hardware**
- ESP32, Laser Pointer Module, motion sensors, Push Buttons, Li-ion Battery, TP4056 Charging Module.
- **Software**
- Python, OpenCV, PyAutoGUI, Arduino IDE, Visual Studio Code

Awards & Certifications

- **Merit Award:**ALTS College Fest – For the Innovative College Bus Tracking System project featuring real-time bus tracking and role based access.

Education

- **Bachelor of Technology (B.Tech)**
- **Electronics And Communication Engineering**
- **Final year**
- **Sri Venkateswara Institute of Technology**
- **Percentage:73.4**

Diploma

- **Anantapuram Govt Polytechnic College**
- **Electronics And Communication Engineering**
- **Completed:2024**
- **Percentage:74.3**
